TO WHOM SO EVER IT MAY CONCERN

This is to certify that M/s. Sumeru Energy Solutions, Hyderabad has supplied and installed MAXR 100 on our 3X2.5 TR Blue Star make split AC units in February 2016. We are pleased to conform that we have observed an Energy Savings of 20 to 25% after installing MAXR100.

We are very happy with the performance of our AC units and recommend all AC users to use MAXR100 and reduce the energy costs.

Best Regards
